Reference: Notice To Correct Appli-  
cation Papers #3680

Dear Commissioner:

I spoke with Monica in the Office of Initial Patent examination, Phone 703-308-1202 about your notice.

She told me that if I removed the lines on both sides of the paper and put the writing on 8 1/2 x 11 sheets of paper that the corrections would be acceptable. This I have done, and, therefore, I have complied with the requirement to correct the specification. There are 5 sheets that have been corrected.

I have submitted the corrected specification in this package, and thank you and the department for your help in this process.

Sincerely,

Thomas J. Mazzone
